

A photograph of a kitchen scene. In the foreground, a small, dark brown ceramic bowl filled with bright green, shelled peas sits on a light-colored, textured kitchen counter. The background is softly blurred, showing a dark, circular object, possibly a plate or a pan, and a wooden surface, creating a warm and inviting atmosphere.

!MYHOME – Home furniture.

Beckermann®
■ K ü c h e n

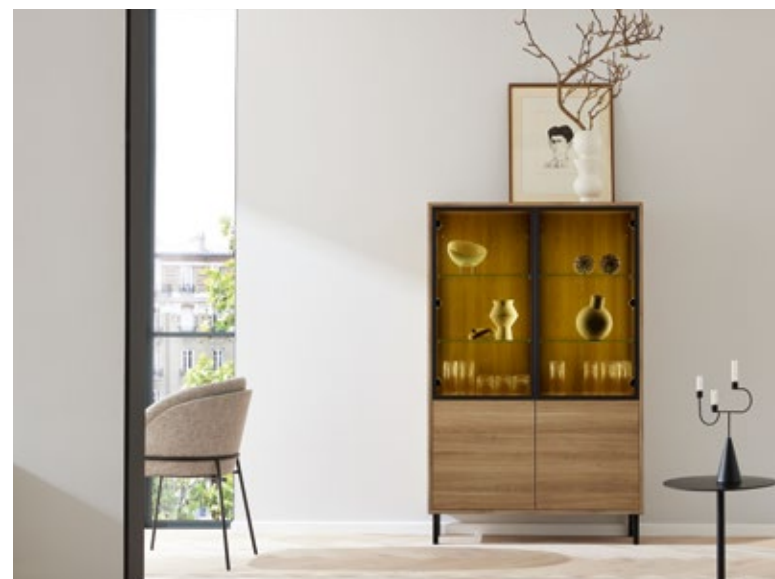

!MYHOME – Home furniture for room-spanning harmony.

Whether in the kitchen, in the dining and living area, in the entrance hall or simply as stand-alone furniture – with our !MYHOME planning ideas, furnishing your home becomes a real pleasure. Our ready-to-use !MYHOME furniture can be used flexibly and, thanks to individual combinations, new harmonious room-spanning living concepts can be created every time. There are practically no limits to your individual wishes – whether with shelves, pull-outs, or classic or glass doors; whether close to the floor, with designer legs or hanging puristically on the wall; whether with a wood effect, a neutral or bold colour, or a concrete or stone look. The choice is yours!

!MYHOME – INSPIRING AND AS FULL OF VARIETY AS LIFE ITSELF.

home sweet home

- 06-07 Colours & materials
- 08-09 Details
- 10-11 Sideboards
- 15-17 Sideboards with front projection upwards
- 18-23 Sideboards with shelf
- 24-25 Sideboards with sliding doors
- 26-27 Glass variants
- 28-29 Sideboards with glass door
- 30-31 Display cabinets

The details make the difference.

It goes without saying that !MYHOME furniture is available in a variety of models.

Wall-mounted

- Integrated mounting system for wall mounting
- Includes heavy-load mounting system

Floor-standing with furniture gliders

- Furniture gliders, black melamine
- Diameter 50 mm, Height adjustable 20-29 mm
- Furniture must be additionally fixed to the wall (tilt protection)
- Feet are required for every carcase connection or every 800 mm
- Must be ordered separately: ZF2B = 7.- €/piece

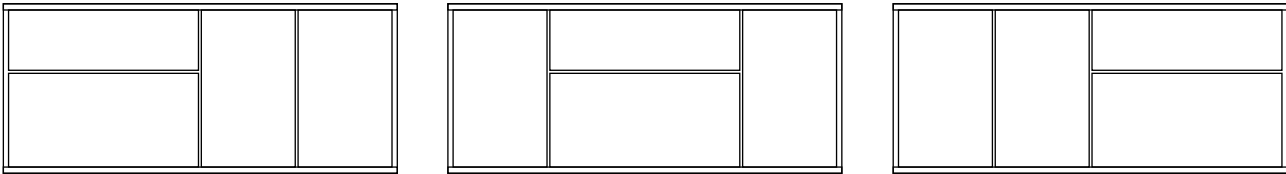

Designer foot

- Furniture must also be attached to the wall (to prevent tipping over)
- Feet are required for each carcase connection or every 800 mm
- Must be ordered separately: Designer foot 01 + 02 in black or with stainless-steel look
Dimensions (H x W x D): 150 x 25 x 25 mm (with height-adjustment screw)
ZF15B = 72.- €/piece (black); ZF15E = 72.- €/piece (stainless-steel look)
- Designer foot 03 in black, powder-coated steel
Dimensions (H): 200 mm, 400 mm (without height-adjustment screw)
ZF20B = 37.- €/piece; ZF40E = 42.- €/piece
- Designer foot 04 in black, aluminium
Dimensions (H): 250 mm (without height-adjustment screw)
ZF25B = 116.- €/piece

Planning example: One sideboard – three different looks

The arrangement of sets with three cupboards is variable. These can be interchanged during assembly. For sets with two cabinets, the stop of the doors must be taken into account. (R/L)

Grip ledge ER, stainless steel colour

Grip ledge EA, stainless steel colour

Grip ledge EB, black

Grip ledge EK, stainless steel colour

Grip ledge EF, black

Grip ledge EC, stainless steel colour

Grip ledge ED, black

Alternative option:

Pull-outs and doors can be fitted with the mechanical TipOn opening system.

Everything at your fingertips.

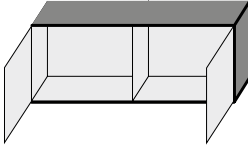

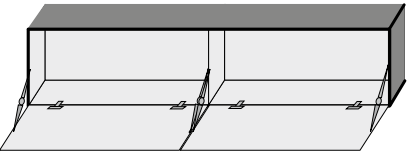

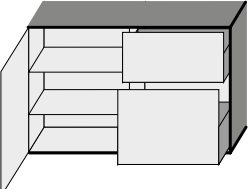

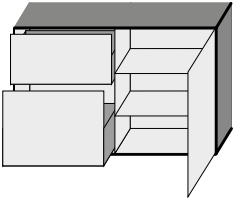

The !MYHOME handle selection leaves nothing to be desired in terms of comfort, design and functionality. Your personal taste is all that matters.

Sideboards

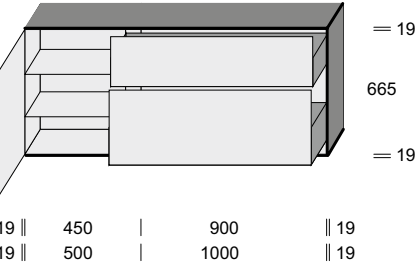

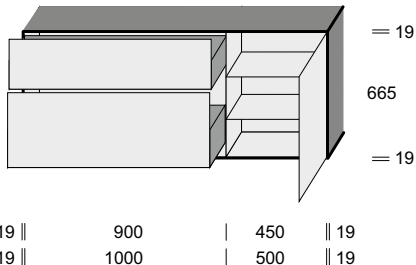

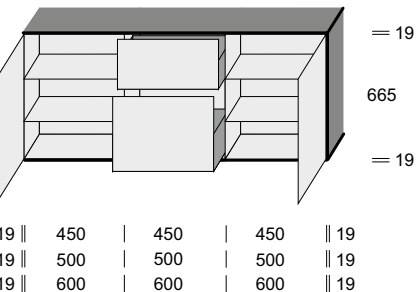

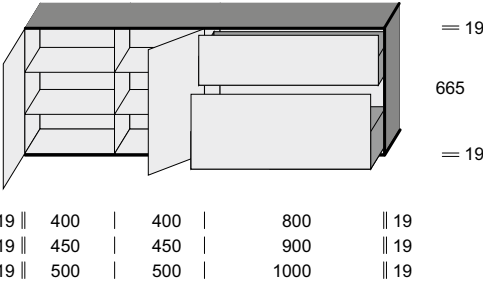

!MYHOME sideboards offer enormous flexibility regarding the possible combinations. Here you will find the perfect sideboard for your home – have fun choosing.

Sideboards

with front projection upwards

- Side panels should always be planned in the same material and colour as the front.
- Upper cover shelf can be colour-contrasted.
- No handles are required for these sideboards.
- The hinged doors can be opened simply by reaching behind the front.
